

Dear Prospective Preceptor,

Greetings from Yoga Veda Institute! We are reaching out to you to provide information about our preceptorship program and the potential for a collaborative partnership that benefits both our students and esteemed practitioners like yourself.

At Yoga Veda Institute, we are devoted to offering an integrative and comprehensive Ayurvedic education. Our programs range from foundational studies in Ayurvedic Medicine to advanced clinical training. An integral part of our curriculum involves practical, hands-on learning experiences under the mentorship of experienced Ayurvedic professionals—preceptors who play a pivotal role in nurturing the competencies of our students.

Why Become a Preceptor with Yoga Veda Institute?

- **Professional Development:** Engaging with students keeps you connected to the latest educational trends in Ayurveda and offers an opportunity to refine your teaching and mentorship skills.
- **Recognition:** As a preceptor, you gain recognition on our platform, showcasing your expertise and expanding your professional footprint.
- **Fulfillment:** There is a profound sense of fulfillment in mentoring the next generation, passing on your wisdom, and shaping the future of Ayurvedic practice.
- **Financial Opportunities:** Many of our preceptors benefit from mutually beneficial financial arrangements, such as paid assistantships or offering specialized workshops and programs.

Preceptor Responsibilities:

- **Mentorship:** Provide students with guidance, wisdom, and practical insights into Ayurvedic practice.
- **Supervision:** Oversee clinical training, ensuring that it meets the educational standards set by the Institute and relevant accrediting bodies.

- **Evaluation:** Assess students' progress, provide constructive feedback, and contribute to their academic evaluations.

Our Commitment to You:

- **Support:** Yoga Veda Institute offers ongoing support to our preceptors, including educational resources and administrative assistance.
- **Community:** You will be part of a vibrant community of Ayurvedic professionals, fostering opportunities for networking and professional growth.

Application Process:

- **Credentials Review:** We require that preceptors have NAMACB board certification or a BAMS, or are recognized as Ayurvedic Practitioners or Doctors with clinical practice.
- **Partnership Agreement:** Upon qualifying, we will discuss and formalize a partnership agreement that outlines the roles, expectations, and benefits.

We believe that our students would greatly benefit from your expertise and mentorship. We invite you to consider this rewarding opportunity to become a preceptor with Yoga Veda Institute.

Should you have any questions or wish to proceed with the [application process](#), please do not hesitate to contact me at director@yogavedainstitute.com . I am enthusiastic about the prospect of you joining our mission to elevate Ayurvedic education and practice.

Thank you for considering this partnership. I look forward to the potential of working together to make a lasting impact in the world of Ayurvedic medicine.

Warm regards,

Jacky Rae

Founder & Director of Yoga Veda Institute
